

## **NEW ENTRY REQUIREMENTS AND PROTOCOLS FOR VISITORS**

We are an approved, Gold Standard hotel and we look forward to welcoming you to our beautiful country. Belize has implemented enhanced health and safety protocols to protect you and ensure that you'll enjoy your vacation.

The following are some guidelines to help you prepare for your trip and know what to expect when you arrive in Belize and at Black Orchid Resort.

### **Before Your Visit**

- Download the Belize Health App and complete the required information prior to boarding the flight to Belize. A QR code with a unique ID number will be returned to you, and will be used for contact tracing while in Belize.
- We encourage you to take a Covid-19 PCR test within 72 hours of travel to Belize, as a negative result will allow for a 'fast track' arrival process.

### **On Arrival in Belize:**

- You will disembark the plane - wearing a face mask - and proceed to health screening.
- If you brought along your negative COVID-19 PCR test, you will proceed to the 'fast track' lane for Immigration & Customs processing. Depending on your health screening, you may be randomly selected for secondary testing.
- If you were unable to bring the results of a PCR test, you must proceed to the testing area where you'll be required to take a COVID rapid test. Testing is at the passengers' expense and costs US\$50.00.
- Proceed to Immigration and Customs, and then exit the airport via the Safe Corridor using approved air or ground transportation. You will receive your test results here at our Gold Standard hotel via the Ministry of Health.
- A positive test result will require you to quarantine with our hotel until the Ministry of Health provides clearance.
- Transportation to/from Belize International Airport must be pre-booked at least 24hrs prior to arrival. Kindly send request to [info@blackorchidresort.com](mailto:info@blackorchidresort.com)
- If you booked transportation with Black Orchid Resort, please note that your temperature will be checked by the driver prior to boarding the Van/bus.
- Social distancing must be adhered to and arrangements will be confirmed arranged accordingly

### **During your Stay at Black Orchid Resort/ Belize:**

- While at the Black Orchid Resort facemasks are mandatory in all public spaces, and you're advised to practice social distancing and proper hand hygiene, to protect yourself and others you come in contact with.
- While at Black Orchid Resort you will enjoy our full-service amenities (restaurant, bar, pool, and onsite activities).
- We want you to see and do as much of the activities in our beautiful country, during your visit. Please let us know what you're interested in doing and seeing while in country and we can arrange this for you. Kindly email your tour request to [info@blackorchidresort.com](mailto:info@blackorchidresort.com)
